

Join our Flemington Community Consultative Committee

We're forming a Flemington Community Consultative Committee as part of the redevelopment of 12 Holland Court and 120 Racecourse Road, Flemington.

The Committee is a way for renters and community members to have a voice in the planning and design of the projects.

The Committee will provide advice to Homes Victoria through:

- Helping to **establish a vision for the future** development of the Flemington precinct
- Assisting Homes Victoria in **communicating with renters and local community** through the redevelopment process
- Foster **community connections** and partnerships to support community projects through the redevelopment process, and
- Provide **advice on event planning and community consultation** to ensure community engagement events and activities are inclusive and accessible.

As much as possible, Homes Victoria will seek the committee's input to the planning and design phase of project

Committee members are required to commit to:

- Maintain a one-year membership term
- 8 meetings (up to 2 hours long) over one year

If you are interested in being a part of the Flemington Community Consultative Committee, **please fill out an Expression of Interest (EOI)** form – available at <https://bighousingbuild.homes.vic.gov.au/precincts/flemington-precinct>.

Public housing renters may also contact their local housing office for assistance to complete an EOI.

Applications close on Tuesday 31 December 2024
